Profile

Specialized Digital Development Technician, motivated and dedicated, with strong adaptability and excellent organizational skills. I integrate easily into professional environments and can work effectively both independently and as part of a team. I am seeking an internship or employment opportunity to further develop my skills and gain valuable practical experience.

Education

Specialized Technician Diploma in Digital Development 2024-2026

Option: Mobile Application Development
Cité des Métiers et des Compétences (CMC), Agadir

Bachelor of Physical Sciences (French Option) – Graduated with Honors 2024

Lycée Alhassane Ben Mohamed El Khyat, Inezgane

Experience

Mobile Development Intern – IKENAS (1 month)
